Start with your first video. Write the name of the video file (SOURCE). Use the Time Code display on your player to log your video. As you find a play you want to use, write down the start time (IN) and when the play ends (OUT). Write a brief description of the action (DESCRIPTION). If you decide to use more than 30 plays, start a new sheet (additional cost).

Package includes:

- Title: write down the information you want to appear in the video (name, number, school, position, etc.)
- Music: add background music instead of the natural sound of your footage
- Online preview (first one free)
- Video file (for YouTube or other site)

Options:

- Add an arrow identifying your position before each play begins
- Add a DVD of the edited video
